

Vedang Software accredited by Peoplecert on behalf of Axelos Ltd. to offer global certifications across the globe

Our Training material on the following best practices is accredited by Axelos and we are authorized to execute the certification examination anywhere across the globe

- ITIL Foundation
- ITIL Intermediate (Life Cycle Modules)
- Managing Across Life Cycle
- ITIL Practitioner
- PRINCE2 2017 Foundation
- PRINCE2 2017 Practitioner
- PRINCE2 Agile

The certification examination for the above-mentioned credentials can be executed in the supervision of our accredited trainers and proctors anywhere across the globe.

In addition to the above certifications we also provide support in acquiring the coveted certifications like Project Management Professional (PMP) and Certified Scrum Master (CSM), Cobit 5.0 and Six Sigma.

For PMP we provide the best training in the region and almost all of our previous PMP participants have successfully cleared the PMP examination.

For CSM we not only provide the training full of real life examples, we also conduct the CSM examination at the training location itself.

Feel free to call / email us for any of the above-mentioned certifications

Dr Pratul Sharma, Ph.D. IIT Delhi
